MiniAer LIMITED WARRANTY

Your MiniAer Air Purifier is warranted to be free from all defects in material and workmanship in normal household use for a period of 90 days from date of purchase. The warranty is granted only to the original purchaser and members of his or her immediate household. The warranty is subject to the following provisions.

Any damages or malfunctions caused by negligence, abuse, or use not in accordance with the Owner's Manual are not covered by this warranty. Likewise, any defects or damages caused by unauthorized service are not covered.

Triad Aer will, at its option, repair or replace a defective Air Purifier that is covered by this warranty. As a matter of warranty policy, Triad Aer will not refund the customer's purchase price.

To register your warranty, please visit www.TriadAer.com/warranty.

To obtain warranty service you must return the defective Air Purifier along with proof of purchase to the Triad Aer Authorized Warranty Station. All transportation charges on parts, or units, submitted under this Warranty shall be borne by purchaser.

Unless this Warranty is expressly renewed or extended by Triad Aer, any repaired or replaced part of unit shall be warranted to the original purchaser only for the length of the unexpired portion of the original warranty.

FURTHER LIMITATIONS AND EXCLUSIONS ARE AS FOLLOWS

Any warranty that may be implied in connection with your purchase or use of the Air Purifier, including any warranty of merchantability or any warranty for Fitness For A Particular Purpose is limited to the duration of this warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

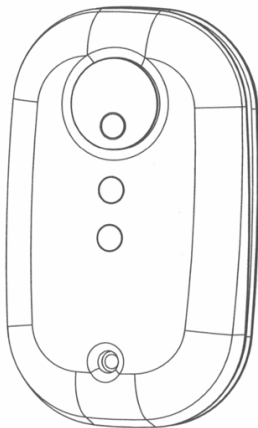

Your relief for the breach of this warranty is limited to the relief expressly provided above. In no event shall Triad Aer be liable for any consequential or incidental damages you may incur in connection with your purchase or use of the Air Purifier. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

REGISTRATION

Please register your new Mini Aer Air Purification product within 10 days of purchase by visiting www.TriadAer.com/warranty. Registering your new product entitles you to the most up-to-date Triad Aer product warranty and promotion information.

Specifications

Model Number	MINIAERv2.0
Input Voltage	110-240 VAC
Rated Powers	< 5
Dimensions	5.12" x 3.15" x 2.95"
Ozone Output	70 mg/hr
Effective Area	50 ft ²
Ozone Creation	Corona Discharge
Modes	Constant Low/Constant High/Timer

Features

Unlike other air purification devices, the MiniAer was designed specifically for use in small spaces. Its unique and valuable features include:

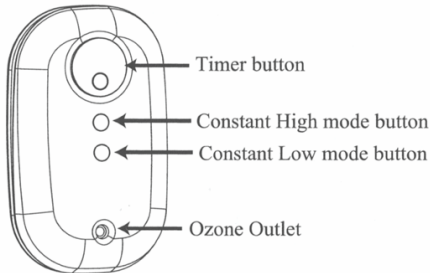

- Compact Portability
- Universal Placement
- Chemical-Free Operation
- Easy Set-Up & Operation
- Maintenance-Free Functionality
- Odor-Free Purification
- Whisper-Quiet Operation

APPLICATIONS

MiniAer is the ideal air purification system for small, confined spaces. Compact and portable, it's the perfect solution for eliminating odors and freshening air in and around:

- Closets
- Lockers
- Pet Areas
- Storage Units
- Garbage Containers
- Changing Rooms
- Cabinets
- Small Storage Areas
- Diaper Pails
- Under Sink Areas
- Small Bathrooms

Operation

PREPARATION BEFORE OPERATION

Remove the MiniAer from its shipping carton and from protective materials. Inspect unit for any visible signs of damage. Plug MiniAer securely into wall receptacle.

TIMER MODE

Press the Timer button, MiniAer will run for 30 minutes and shut down automatically. If Timer button is pressed a second time before the expiration of 30 minutes the unit will shut down.

The Timer resets to 30 minutes even if shut down prematurely.

CONSTANT HIGH / LOW MODE

Press the Constant High / Low Mode Button. The unit will run continuously in this mode (high or low) until the button is pressed.

**CAUTION: READ MANUAL CAREFULLY FOR PROPER
PRECEDURES AND OPERATION**

**WARNING: NEVER HOLD THE DEVICE NEAR THE FACES OF
PEOPLE OR PETS**

Operating Principles

The MiniAer works by attacking indoor contaminants at their source. Unlike other air cleaners that filter & discharge air pollutants back into the room, the MiniAer electronically charges negative ions at airborne particles suspended within the enclosed environment. The ions attach themselves to pollutants, making them too heavy to remain afloat and quickly knocking them out of the air. Additionally, the device creates low level ozone, an effective gas which can reduce bacteria, molds, and fungus. The result is an effective reduction of dust, dander, smoke, allergens, & odor resulting in a healthier, fresher, & cleaner environment.

Unit Placement

Plug into an appropriate electrical outlet where purification is desired. Do not use extension cords.

Unit Maintenance

The MiniAer is completely maintenance-free. There are no user-serviceable parts. Return the product for repair. To clean the external case, remove the device from the electrical outlet and clean with a damp cloth.

**DO NOT ALLOW ANY MATERIALS OR LIQUIDS TO ENTER
THE DEVICE.**
